

MANUFACTURER'S UPDATE

WEEK OF NOVEMBER 22-26, 2010

Dear MACF Members and Friends,

The month of November has been a whirlwind for MACF. We celebrated the best and brightest at our Annual Dinner on November 9th and inducted the 2010—2011 Executive Committee at the November 17th Board of Directors meeting.

The Annual Dinner was truly a success, thanks in part to our sponsors and amazing honorees. This year's Awards of Excellence were selected by a committee along with the Board of Directors. They were chosen based on their commitment to the economy, environment, and community.

The 2010 winners, chosen by category, were:

- Associate Member: Baker Commercial Landscaping
- Small Manufacturer: Energy Planning Associates
- Large Manufacturer: Correct Craft
- Community Partner: Orange County Public Schools
- President's Award: Larry Calise, LarsonAllen

I would like to thank Angela Ramsey, MACF's 2009–2010 President of the Board, for her commitment to the organization this year. We are grateful for her dedication during her term in office and celebrate her passion for manufacturing.

The Board of Directors inducted a new Executive Committee for 2010—2011. We look forward to a renewed commitment to excellence in manufacturing. Congratulations to our new Executive Committee: President—Tom Muller, Celmark International; Vice President—Al Stimac, Metal Essence; Secretary—Richard Sweat, .decimal; Treasurer—Larry Calise, LarsonAllen. The complete list of the Board of Directors can be found on the following page and on our web site.

As I close, I would like to share one final thought. Thanksgiving is an opportunity to realize that we have much for which we can be thankful. This holiday celebration allows us to focus on our blessings and the freedoms we enjoy. It is inspiring to see so many MACF members committed to making the world a better place. It is with much gratitude that I thank you for your contributions to the Central Florida community and to the association.

Wishing you and yours a wonderful Thanksgiving,

Sherry

THANK YOU TO OUR CORPORATE PARTNERS!
